

IWoSR 2022

CALL FOR PAPER

2022 International Workshop on Service Robotics

Chengdu, China
June 10-12, 2022

Topics

Advances in service robotics
Autonomous and unmanned vehicles
Challenges in service robotics
Cleaning, floor and lawn care robotics
Cognition based interaction
Customer service robots
Human assistance and supports
Human-robot interaction technologies
Medical and healthcare robotics
Network-based intelligent robot services
...

Submission

Please submit the papers via the online submission system: [IWoSR 2022 Online Submission System](#). (Click)

Key Dates

Abstract Submission: Feb. 22, 2022
Full Submission: Mar. 4, 2022
Author Notification: Mar. 22, 2022
Final Version: Apr. 9, 2022
Registration: Apr 9, 2022
Main Conference: June 10-12, 2022

Keynote Speaker

Prof. Chenguang Yang

Media Partner
