

IWoSR 2022

CALL FOR PAPER

2022 International Workshop on Service Robotics

Chengdu, China
October 14-16, 2022

Keynote Speaker

Prof. Chenguang Yang

Topics

- Advances in service robotics
- Autonomous and unmanned vehicles
- Challenges in service robotics
- Cleaning, floor and lawn care robotics
- Cognition based interaction
- Customer service robots
- Human assistance and supports
- Human-robot interaction technologies
- Medical and healthcare robotics
- Network-based intelligent robot services

Media Partner

robotics

Submission

Submission Please submit the papers via the online submission system: [IWoSR 2022 Online Submission System](https://www.iwosr.org). (Click)
